

NACCL | National Association of
Continuum of Care Leaders

Join us at the beginning.

December 8, 2026 | San Diego

There is only one first—and we invite you to be part of ours.

This December, Continuum of Care leaders from across the country will gather for the first annual convening of the **National Association of Continuum of Care Leaders (NACCL)**. We bring fresh energy, shared ambition and a belief that this moment calls for stronger connections.

A stronger profession. A trusted peer community. A national voice.

We invite you to help make that beginning possible—as a **partner, not just a sponsor**.

Connect with decision-makers helping shape local homelessness systems. Learn what they need. Share what your organization makes possible. Begin relationships that can grow well beyond a single day in San Diego.

This is more than an opportunity to be seen. It is an opportunity to become known—and to help something important take shape.

Ways to participate include sponsorships, exhibit opportunities and **You Name the Amount**.

There will be future gatherings. But only one chance to say, **“We were part of it from the beginning.”**

Join us. Let’s build what comes next—together.

Explore sponsorship opportunities and plan your participation.

Contact **Tamera Kohler** at tamerak@naccl.org.

Created by CoC leaders. Built for CoC leaders.

Make the most of your San Diego visit: the RTFH Conference on Homelessness follows December 9–10.
